

Partner with Hong Wei
Build your next high-efficiency,
high-reliability project

Flexible construction models: EPC / Lump Sum / Cost-plus / Subcontract coordination

Early-stage planning: Formwork simulation & site consultation

Fast-track schedules: Phased execution, 24/7 construction, critical path overlap

BIM-supported execution: From design integration to as-built tracking

Precision Execution × Preferred Partner for Semiconductor Construction

Hong Wei Construction Co., Ltd.

Aluminum Formwork Systems × Smart BIM Execution × Agile Project Delivery

Delivering high-quality, efficient, and reliable solutions for advanced industry construction.

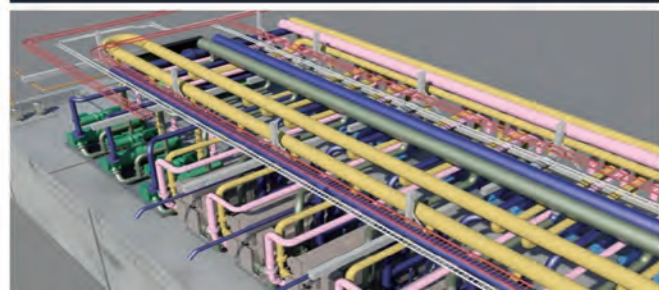

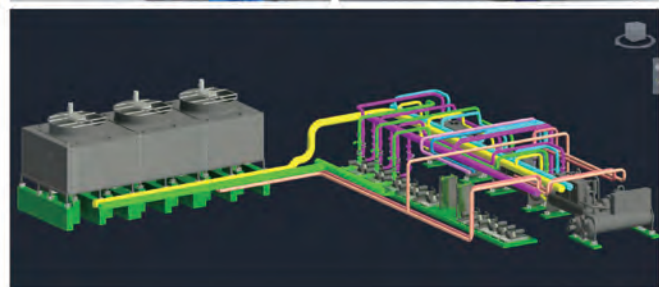

Hong Wei Construction | Your Trusted & Efficient Partner

Established in 2010 (with operations since 2004), Hong Wei is a certified Grade-A contractor in Taiwan. We specialize in public infrastructure, private EPC, and advanced manufacturing facilities. Our teams ensure seamless integration across drawings, trades, and site execution.

BIM Expertise

- ◆ 3D modeling to re-routing simulations
- ◆ MEP clash detection and layout optimization
- ◆ On-site digital feedback and review workflows

Key Capabilities

- ◆ In-house aluminum formwork production and modular setup
- ◆ Full-cycle BIM support and digital simulation
- ◆ 24/7 construction and phased execution capacity
- ◆ 110 in-house professionals + 600+ supplier resources

Built on Proven Experience | Partnering in High-Tech Industrial Projects

Projects – Semiconductor & Optoelectronics

Entegris Kaohsiung Plant Phase 1

- ◆ 3F steel structure | 49,248m²
- ◆ On-time delivery amid COVID, phased work with MEP integration

New Material Co. Phase 2

- ◆ B1 + 6F | 12,242m²
- ◆ Cleanroom facility + RC office tower

Raystar R&D Headquarters (ongoing)

- ◆ B2 + 6F | 29,970m²
- ◆ Full BIM project with MEP + interior coordination

Wistron Kaohsiung R&D Center

Other Key Projects

Left Camp Social Housing

- ◆ 752 units

Mega Bank Office Building

- ◆ 5F RC + Telecom room

Matsu Goddess Pedestal

- ◆ Delivered during typhoon season (3 months early)

Kaohsiung Music Center – Structure & Landscape Works
